

Find your lost things, including your laptop

What is Tile?

Tile's free app and Bluetooth® devices help you find your lost things

1. Attach Tile to your things

2. Use your phone/laptop to find them

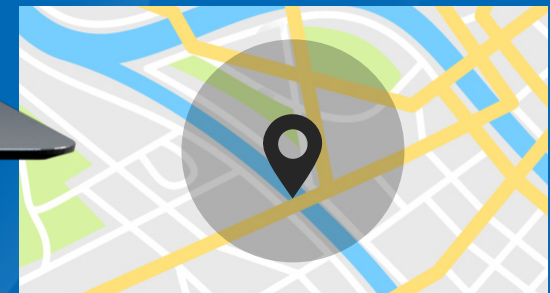

Use your laptop to find your phone.
Use your phone to find your laptop.

How does Tile work?

Find your Tiled item nearby
**up to 400 ft Bluetooth® range*

Find your Tiled item far away
See its most recent location or enlist anonymous help from the Tile Network
